Back to School Drive.....

It is once again time to start thinking about our annual school supply drive. This is an annual event sponsored by Friends For Hope to help those less fortunate children of Big Lake and Reagan County. We ask that you please start purchasing items each time you go to the store to help us make this project a success. You can drop off any school supplies that you would like to donate to the office at 1001 2nd street. There will be a drop off box also located at Dollar General within the next couple of weeks.

We welcome all donations no matter how great or small. We thank you in advance for all your help to make this event a great success and to start to the school year off right for our youth in Reagan County. For more information please contact our office at 884-9804.

Legal Aid Clinic.....

We continue to work in conjunction with Legal Aid West Texas and have scheduled clinic's the first Monday of every other month. Our next scheduled clinic will be held on September 5, 2011. If you or anyone you may know is in need of help in a civil matter but cannot afford an attorney please have them contact our office and we will supply them with all of the necessary information.
