Angel Tree Ministry

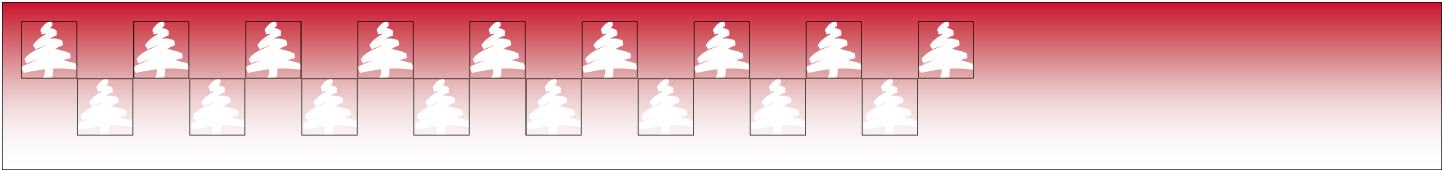

“Tis the Season to be jolly.... The Angel tree is ready and the Angels are hanging with care in hopes that someone will soon be there to take them and fulfill children’s wishes this Christmas. The Angel Tree is a special ministry that Friends For Hope enjoys doing every year. It is a great way to be Santa and help some children feel loved.

It is very easy to get involved. You can stop by the Friends For Hope office and pick up an angel. The information is provided about each angel such as sizes, gifts that are desired, and the age of the child. You can make a monetary donation towards this project and we will do the shopping for you. You can also purchase a gift at the Dollar Store and drop it in the box and we will do the rest. If you would like to be more involved we would love for you to help us wrap the gifts and get them ready for delivery.

We will need the gifts back in our office by December 18th. We ask that the gifts not be wrapped, we will do the wrapping for you. It is always a special time of year and touches many lives through the giving hearts of Reagan County. We are so blessed to have the continued support of the community. For more information please contact FFH office.
